

Hudson Highlands Fjord Trail

The 7.5-mile route will have six main trail entries between Beacon and Cold Spring, with Dutchess Manor serving as the trail's central Visitor Center and key entrance. Parking areas are planned for four of the trail entry points: Little Stony Point/Washburn (already existing), Breakneck, Dutchess Manor, and Notch. Three trailhead entries will be served by Metro-North train stops: Dockside/Cold Spring, Breakneck, and Long Dock/Beacon.
