

The logo features a stylized, dark green lowercase 'ft' monogram. The 'f' is tall and thin, with a curved top and a vertical stem. The 't' is shorter and wider, with a horizontal crossbar and a vertical stem that ends in a small hook.

Hudson Highlands Fjord Trail

The Breakneck Connector and Bridge projects will be advanced in two ways with different funding sources. Breakneck Connector will be advanced with entirely private funding via HHFT. The Breakneck Bridge will be advanced through construction by state parks and will use state park (\$20 M), DEP (\$14M) and private funds (dollar value pending bud process results). The state will publicly bid the bridge out for construction and will manage that project.
