We are grateful for the constructive and amicable collaboration we share with The Village of Cold Spring and the Town of Philipstown, each of whom are represented on the HHFT Steering Committee, where twenty interested or involved entities receive updates on the project and gather to discuss issues from their entity's perspective. There have been many opportunities over the years, and there continue to be many more, for residents of the Village and Town to share feedback on plans and new ideas directly with HHFT. HHFT is currently taking feedback and answering questions at informal gatherings called Walk & Talks and Sunday Afternoon Chats, twice monthly. Moving into the winter, there will be more opportunities to learn more about the project and weigh in on the plan. Stay tuned!
