

The logo features a stylized, dark green 'ft' monogram. The 'f' is tall and thin with a curved top, and the 't' is shorter and wider with a horizontal bar. To the right of the monogram, the words 'Hudson Highlands' and 'Fjord Trail' are stacked in a dark green, sans-serif font.

HHFT plans to address overcrowding by adding smart visitation management tools guided by expert visitation management consultants, by adding staff capacity and much-needed infrastructure like public restrooms and organized parking, and by diffusing hikers along a 7.5-mile route with six main trailhead entries. Many visitors will not want to visit Breakneck, and many visitors will choose not to visit Cold Spring Village. Many, especially first-time users, will begin their experience at the Visitor Center at Dutchess Manor, where food, water, maps, and other essentials will be available. Most users will choose to experience a section of the trail, not the whole thing in one day, thereby distributing visitation over a greater area.
