

The logo consists of a stylized, dark green lowercase 'f' and 't' joined together. The 'f' has a curved top and a vertical stem, while the 't' has a vertical stem and a horizontal crossbar.

Hudson Highlands Fjord Trail

We're not sure what you mean by 'for how much,' but as far as management of the trail, the Fjord Trail will have on-land staff responsible for ensuring safe usage of the trail throughout its entirety. The trail is being designed to established standards in terms of trail width, to accommodate shared-use of the path. Pull-offs and bump-outs will also be useful in helping to create space for different user types along the trail.
