

The logo features a stylized, dark green 'ft' monogram. The 'f' is tall and thin, with a curved top and a long descender. The 't' is shorter and wider, with a horizontal bar and a descender that curves to the right.

Hudson Highlands Fjord Trail

The public has provided—and continues to provide—project-shaping input by:

- volunteering for committees such as the Visitation Data Committee
- speaking directly with our Executive Director, including at open gatherings like our Sunday Afternoon Chats
- participating in public workshops
- participating in community surveys
- participating in a focus group
- directly sharing input via info@hhft.org
- attending a Walk & Talk event
- joining groups working to collaborate with HHFT to inform the project, such as Philipstown Advocates for Trails
