

HHFT will be the entity responsible for ongoing operation, maintenance and upkeep of the Fjord Trail. As such, HHFT, Inc. is responsible for its own operational and capital budgets. A mix of earned and contributed revenue will and does fund these budgets, similar to many regional non-profits. A capital reserve fund will ensure that funding is available for routine and unexpected maintenance expenses that occur year to year. HHFT's [Form 990](#) shares specific financial information.
