

The logo features a stylized, dark green monogram 'ft' on the left. The 'f' is tall and thin, with a curved top and a long descender. The 't' is shorter and wider, with a horizontal bar and a descender that curves to the right. To the right of the monogram, the words 'Hudson Highlands' and 'Fjord Trail' are stacked vertically in a dark green, serif font.

Hudson Highlands Fjord Trail

Work began on a cooperative agreement that would provide the structure for the public-private partnership between Fjord Trail and OPRHP in 2019, even before HHFT was established as an independent nonprofit. The resulting cooperative agreement is available on the [Governance page](#) of our website. This cooperative agreement serves as the base agreement and will be added to in the form of supplemental agreements for each phase as HHFT advances through construction. The December 2021 agreement was the first such "supplemental" agreement. It established the terms by which HHFT provided \$5 million in private funds to OPRHP to fully fund their Construction Manager so that no tax dollars were used. Each agreement spells out the responsibilities of each party for that phase of work, including funding or specific maintenance obligations. Once the entire project is built, all of the supplemental agreements for all of the phases will be rolled into an updated base cooperative agreement. As supplemental agreements are approved by the state and executed, they will be made available on our website.
