Notes:

[1] The area of the MNR Beacon train station parking closest to the platform on the west side was closed on the 2021 days counts were made.

[2] Capacity provided by HHFT. Train station parking requires payment on weekdays and is available free of charge on weekends and designated holidays. The train station has an overall parking lot capacity of 1,262 and 50% of that number (631) would be available on weekends

[3] Estimated observed capacity of 35 spaces.

[4] Three marked/formal spots on Howland Avenue until recent repaving of the road. The remaining parkingspaces are informal and parallel.

[5] Dutchess Manor Lot is currently closed. Number of spaces shown are not included in the Existing parking supply total.

[6] Breakneck Ridge parking is currently closed. Numbers shown are for roadside parking only prior to closing due to BNCB. BNCB parking facilities will have a capacity of 105 spaces at the BNCB completion year of 2028.
