VOLUME 2: APPENDICES

Appendix I SEQRA Documents

I-1: Final Scoping Document
I-2: Full Environmental Assessment Form
I-3: Positive Declaration

Appendix II Construction Logistics – Fjord Trail South

II-1 : Construction Logistics Report (North)
II-2: Construction Logistics Report (South)

Appendix III/IV.C Geotechnical Report

III/IV.C-1: Geotechnical Report - Breakneck (2016)
III/IV.C-2: Geotechnical Engineering Study - Shoreline Trail (2022)

Appendix III/IV.D Water Resources

III/IV.D-1: Draft Wetland Screening
III/IV.D-2: Freshwater Wetlands Jurisdictional Determination

Appendix III/IV.E Biological Resources

III/IV.E-1: Biological Resources Tables
III/IV.E-2: IPaC Results
III/IV.E-3: Submerged Aquatic Vegetation Survey Report

Appendix III/IV.F Historic and Archaeological Resources

III/IV.F-1: SHPO Correspondence
III/IV.F-2: Letter of Resolution

Appendix III/IV.L Transportation

III/IV.L-1: Intersection Capacity Analysis Methodology
III/IV.L-2: Traffic Count Volume Summary Memo - TMC, Pedestrian, Bike, ATR Data
III/IV.L-3: Synchro Output Reports - 2023 Existing Conditions
III/IV.L-4: HHFT Visitor Utilization Study
III/IV.L-5: NYSDOT Accident Data Records
III/IV.L-6: Parking Supply Table
III/IV.L-7: Synchro Output Reports - 2033 No Action Conditions
III/IV.L-8: Fjord Trail Visitation Projection
III/IV.L-9: Synchro Output Reports - 2033 With Action Conditions
III/IV.L-10: Synchro Output Reports - 2033 Mitigation Conditions

Appendix III/IV.N Emergency Service Providers Correspondence

Appendix III/IV.O Hudson Highlands Visitor Use Management Plan

Appendix III/IV.P Soil and Materials Management Plan (SMMP)

Appendix V Alternative Alignment Analysis

V-1: Alternative Alignments Analysis (February 2022)
V-2: Alternative Alignments Analysis 2024 Addendum (August 2024)

V-3: Alternatives Alignments Analysis 2025 Addendum (November 2025)
V-4: New York State Department of Transportation Correspondence

Appendix X Coastal Zone Assessment Forms

X-1: State Coastal Assessment Form – Fjord Trail North
X-2: State Coastal Assessment Form – Fjord Trail South

Appendix XII Responses to Comments

A. Introduction....Appendix XII-1
B. Responses to Comments....Appendix XII-1
Index of Commenters....Appendix XII-2
Section I – Introduction and Background....Appendix XII-14
Section II – Project Description....Appendix XII-68
Section III/IV.A – Land Use and Zoning....Appendix XII-104
Section III/IV.B – Land Ownership, Management, and Maintenance....Appendix XII-138
Section III/IV.C – Land....Appendix XII-197
Section III/IV.D – Water Resources....Appendix XII-206
Section III/IV.E – Biological Resources....Appendix XII-222
Section III/IV.F – Historic and Archaeological Resources....Appendix XII-325
Section III/IV.G – Scenic Resources....Appendix XII-330
Section III/IV.H – Noise and Air Quality....Appendix XII-362
Section III/IV.I – Recreational and Open Space Resources, Accessibility Appendix XII-378
Section III/IV.J – Growth and Community Character....Appendix XII-408
Section III/IV.K – Socioeconomics....Appendix XII-454
Section III/IV.L – Traffic and Transportation....Appendix XII-465
Section III/IV.M – Infrastructure....Appendix XII-633
Section III/IV.N – Emergency and Public Services....Appendix XII-644
Section III/IV.O – Other Planning Effort....Appendix XII-695
Section III/IV.P – Hazardous Materials Assessment....Appendix XII-696
Section V – Alternatives....Appendix XII-703
Section VI – Cumulative Impacts....Appendix XII-760
Section VII – Unavoidable Adverse Impacts....Appendix XII-764
Section VIII – Irreversible and Irretrievable Commitment of Resources...Appendix XII-767
Section IX – Supplemental Environmental Review....Appendix XII-770
Section X – Coastal Management Program Consistency....Appendix XII-772
Section XI – Climate Leadership and Community Protection Act....Appendix XII-779
General Concerns....Appendix XII-783
General Support....Appendix XII-832
